## **CIRCULAR No. OT-3-E**

IN EFFECT AS OF JANUARY 1, 2012

### **TIMELY AND ACCURATE REPORTING OF MILEAGE EARNED BY PRIVATE CARS OPERATED ON A MILEAGE BASIS OF COMPENSATION DEDUCTIONS AND CLAIM HANDLING PROCEDURES**

TO THE MEMBERS:

The RIC-6007 Series mileage allowance tariff provides that reports are to be made within 40 days after the close of the month in which earned. Payment for the earned mileage so reported should be made promptly thereafter. Uniform procedures for deductions by railroads and issuance of claims by private car owners to railroads are published in Items 182 and 606 of RIC 6007-Series Freight Tariff.

#### 1. Deductions By Railroads To Private Car Owners

Mileage allowed in error, by a railroad, including but not limited to mileage allowed at incorrect rates for any reason, may be deducted from the car owner's account within twenty four (24) months from the last day of the month for which the mileage was reported as earned, but not later. A railroad may tender an invoice for mileage allowed in error at any time within twenty-four (24) months from the last day of the month for which the mileage was reported as earned. Except as provided in RIC 6007, Item 182, paragraph 3, an owner or lessor of a private car must remit within eight (8) months after the invoice is presented the entire amount of any invoice issued to it.

Deductions for amounts of \$25.00 or less shall not be taken after the expiration of two (2) months and ten (10) days from the last day of the month the mileage was earned.

#### 2. Claim Issued By Private Car Owners To Railroads

A private car owner must, within twenty-four (24) months from the last day of the month the completed cycle was reported, present any claim for mileage allowance discrepancies, including incorrect rates or omissions, to the applicable rail carrier in the prescribed AAR format. A sample [MILEAGE AND / OR RATE CLAIM form](#) is shown on page 2 with instructions on the following page. Claims not presented in the required format will not be processed. The railroad receiving the claim must within four (4) months from the date on which the claim was presented allow it in whole or in part, or decline it. The private car owner may reissue its claim, if applicable, within four (4) months from the last day of the four (4) month period allowed the railroad which handled the claim prior to reissuance. The railroad receiving the reissued claim must within four (4) months from the date on which the reissued claim was presented allow it in whole or in part or decline it. If the railroad fails to handle the original or reissued claim within the prescribed time limits, it will constitute a valid claim as last presented and must be honored by the railroad to which presented.

Claims for amounts of \$25.00 per car per cycle or less shall not be issued. The \$25.00 limit is not applicable where no miles were reported for the railroad cycle.

Please be governed accordingly.

On behalf of the Committee on Compensation.
